Assembly Instructions

Remove the system from the box.

Find the bottom section of the rack. The bottom section has both ends open as shown above.

Place the bottom section onto the foot, making sure that it snaps into place.

Find the top section of the rack. The top section has a rounded top as pictured above.

Place the top section onto the bottom section, making sure that it snaps into place.

If done correctly there should be a slight backwards slope to the system.

Reverse the procedure to disassemble
